1. About Pro-Teach

Pro-Teach began operations in 1998, providing quality student care and education for children between the ages of 7 to 12 years old. We aim to provide children of Ai Tong School with a diverse education in an environment that promotes self-discipline, character development and excellence in learning. We have 35 branches nationwide including 13 centres based in schools.

At Pro-Teach, we awaken possibilities through nurturing cognitive growth, emotional wisdom and physical wellness. We ensure that our students are constantly stimulated, interested and growing. Our students are provided with a curriculum that not only offers a breadth of academic experience across a variety of significant areas, it also incorporates social, physical, emotional and moral development as we believe these elements are integral to a holistic education.
